How Can We Help?

Doctor Queries

Information about doctors, specializations, and availability

Appointments

Help with booking, canceling, or rescheduling appointments

ICU Information

Real-time ICU bed availability and admission queries

Technical Support

Website issues, login problems, or technical assistance

Frequently Asked Questions

How do I book an appointment?

Visit the Hospitals page, select a hospital and department, choose a doctor, and fill out the appointment booking form. You'll receive a serial number immediately.

Do I need to register to book an appointment?

No registration required! Simply provide your basic information (name, age, phone) when booking an appointment.

How can I check ICU bed availability?

ICU bed availability is displayed on each hospital's page in real-time. The information is updated continuously by hospital staff.

What if I need to cancel my appointment?

Please contact the hospital directly using the phone number provided on their page. Early cancellation helps other patients get timely care.

Is this service free?

Yes! MediConnect is a free platform connecting patients with healthcare facilities. You only pay the regular consultation fees directly to the hospital or doctor.

Still Have Questions?

Our support team is always ready to assist you. Don't hesitate to reach out.
